

## The Dr. Harvey Murphy Scholarship

Through the concerted efforts of UNC Charlotte faculty & staff, former students and student-athletes, family and friends, the Dr. Harvey Murphy Scholarship will benefit undergraduate students in the Department of Kinesiology at UNC Charlotte.

Hired by Bonnie Cone in 1965, Dr. Murphy was charged with developing all aspects of campus recreational, athletic, and health and physical education efforts. With a career spanning 31 years, Dr. Murphy was responsible for the evolution of the Health and Physical Education area into the Department of Kinesiology that exists today. Dr. Murphy also played an instrumental role in building the Departments of Intercollegiate Athletics and Recreational Services into the robust programs they are today, and served as UNC Charlotte's first Men's Basketball coach where he led the 49ers to back-to-back Dixie Conference Championships in 1969 & 1970.

Leading with integrity, compassion, and a sense of humor, Dr. Murphy is a beloved scholar, mentor, coach and friend. The Dr. Harvey Murphy Scholarship will honor his extraordinary contributions to UNC Charlotte and will be available each year to a meritorious student in the Department of Kinesiology.

---

Gifts to the Dr. Harvey Murphy Scholarship are tax deductible. If you would like to contribute to this exemplary scholarship, please:
